In No Bad Days, JT Jester shares his against-all-odds story of overcoming countless physical and learning challenges to help others find joy in any circumstance and understand that there are no bad days—only hard ones. By the time JT Jester was three years old, he had spent 250 days in the hospital, and he endured sixteen major surgeries before he was sixteen. Diagnosed with VATER/VACTERL Syndrome, a rare combination of several birth defects. JT’s life was anything but easy. On top of his physical challenges, he suffered dyslexia and short-term memory loss, which made learning nearly impossible for him. Yet JT pushed past his physical and educational roadblocks to achieve what many people told him he would never do—learn to read, graduate from high school, attend college, and become a successful motivational speaker, influential podcast host, and bestselling author. In No Bad Days, JT details the incredible story of how he overcame what seemed like insurmountable odds and shares the many invaluable lessons he has learned throughout his life in the hope that others might reach their full potential. These lessons include how to: Find Your Tribe, Pull Off the Label, Stretch Yourself, Listen to Others, and Learn to Fall. JT’s improbable life story is evidence that regardless of the mental and physical challenges you might face, you can defy the odds to create the life you want and accomplish the things you’ve only dreamed about. His remarkable journey is all the proof you need. Through his story, and the inspiring stories of others, JT Jester shows readers how to find joy in any circumstance and proves that there are really no bad days—only hard ones.

When the first edition of Do They Have Bad Days in Heaven? Surviving the Suicide Loss of a Sibling
was published in 2001, it was the first comprehensive resource for sibling suicide survivors. In this updated edition, Michelle Linn-Gust (Rusk) doesn't change the story she told nineteen years ago, but gives the reader perspective on the changes that have occurred on how suicide and suicide loss are viewed. She also discusses how her life has changed. And stayed the same. Do They Have Bad Days in Heaven? Surviving the Suicide Loss of a Sibling is the first comprehensive resource for sibling suicide survivors. Michelle Linn-Gust takes the reader through the personal experience of losing her younger sister Denise Linn and weaves in the available research for sibling survivors. Michelle also journeys sibling loss through the life span. No matter how old you are, you'll find valuable help in Do They Have Bad Days in Heaven? Michelle explains suicide, the grief process, and how sibling death impacts the brothers and sisters left behind. She adds practical advice for how sibling suicide survivors can help themselves. This book is also helpful for those who want to reach out to sibling survivors including parents, teacher, counselors, and friends. Reading Do They Have Bad Days in Heaven? assists them in understanding the grief process that the sibling survivor travels.

*There Are No Bad Days When You Come Home to a Pug* Simon and Schuster 'I left the man with whom I had been living one morning in late summer after opening the wardrobe and seeing the tidy line of his collars, white and blue, white and blue. I felt sick.'

**Do They Have Bad Days in Heaven?** World Health Organization Regardless of who you are or where you're from, you will face challenges at some point in your life, but it's how you respond to those challenges that can make or break you. "No Bad Days" is a personal story, a method, and a movement resulting from DPB's decision not to allow an unexpected tragedy in his life to overtake him. Instead, he chose to turn it into triumph as he learned how to get the best out of his life after experiencing the worst of it. No Bad Days goes beyond inspiration to empowerment and will help you embrace the skills you need to do the same. No matter how hard your life has been to this point or how many "bad days" you feel that you have had, "No Bad Day's" will help you to see your challenges differently and gain victory over them. Read the story, embrace the method, and join the movement! #nobaddays

**Even Superheroes Have Bad Days** Fulton Books, Inc. Got fired? Satisfy the urge to set something ablaze with a Flaming Diablo. Heinous meeting? Plunge into a Death in the Afternoon. Gained weight? Forget the club soda -- embrace those newfound pounds with a Butterball. This drinker's delight contains more than 50 delicious antidotes for everyday disasters, handily organized into recipes for Work, Love, Home, and Life in General. Drinks range from a basic whisky sour to a champagne cocktail, and recurring "From Bad to Worse" bursts offer suggestions for an added alcoholic kick when things get "really" bad.

There Are No Bad Days When You Play Volleyball

Bad Days. No Bad Days is Jeffrey Holst’s definitive guide to living with a transformative, positive mindset—one that has worked for over a quarter century. Jeffrey was able to leverage his philosophy with tangible success, moving from a life-threatening leukemia diagnosis and a resulting personal bankruptcy to financially free in under seven years. He shares his unique life experiences to illustrate the essential lessons he learned along the way. His approach outlines:

- How to give up bad days
- How to maintain a positive mental attitude despite tragedy
- How to discover your life’s purpose
- How to overcome incredible odds and live a rich and fulfilled life

Within No Bad Days, Jeffrey Holst proves that it is possible to create the life you deserve.

Can a popular bartender win over a strong single mom? From New York Times bestselling author J. Sterling comes a thrilling new standalone romance you won’t want to miss. Everyone knows who the Fisher brothers are; the hottest single bartenders this side of the Santa Monica Pier. Which is exactly why when I run into Ryan Fisher one day at the beach, I intend to steer clear of him and his sexy, playboy ways. I’ve heard the rumors. I know his type. I’ve seen him in action. And I’m not interested. But Ryan has other ideas. He’s convinced that I have him all wrong. But I don’t have the luxury of making mistakes when it comes to men. Not anymore. Being a single mom does that to a woman. There’s only room in my life for one boy: and his name isn't Ryan. So why won't he go away and leave me alone already?

A NEW YORK TIMES BESTSELLER
An entertaining, humorous, and inspirational memoir by the founder and chief creative officer of the multimillion-dollar lifestyle brand ban.do, who “has become a hero among women (and likely some men too) who struggle with mental health” (Forbes). After graduating from college, Jen Gotch was living with her parents, heartbroken and lost, when she became convinced that her skin had turned green. Hallucinating that she looked like Shrek was terrifying, but it led to her first diagnosis and the start of a journey towards self-awareness, acceptance, success, and ultimately, joy. With humor and candor, Gotch shares the empowering story of her unlikely path to becoming the creator and CCO of a multimillion-dollar brand. From her childhood in Florida where her early struggles with bipolar disorder, generalized anxiety, and ADD were misdiagnosed, to her winding career path as a waitress, photographer, food stylist, and finally, accidental entrepreneur, she illuminates how embracing her flaws and understanding the influence of mental illness on her creativity actually led to her greatest successes in business and life. Hilarious, hyper-relatable, and filled with fascinating insights and hard-won wisdom on everything from why it’s okay to cry at work to the myth of busyness and perfection to the emotional rating system she uses every day, Gotch’s inspirational memoir dares readers to live each day with hope, optimism, kindness, and humor.

No Bad Days
Independently Published
Keep your head held high even on the bad days with 70 mindful self-care strategies to find happiness. In a time when social media encourages us to constantly highlight how great we’re doing and how #Blessed life is, there seems to be little room for the inevitable truth: in every life, there are days that are NOT great. Yet decades in the self-help world have taught Eveline Helmink—editor-in-chief of Happinez magazine and a self-titled cheerleader for failure and discomfort—that true emotional growth comes from realizing that it’s often on our worst days when we learn the most about what empowers, strengthens, and revitalizes us—and yes, brings us happiness. In The Handbook for Bad Days, Helmink teaches you how to take advantage of bad days as moments for self-discovery and emotional understanding. Her compassionate, no-bullshit approach encourages you to detox from the social media world and rethink your coping strategies, exploring topics such as, - The benefits of a good cry -Why, sometimes, it’s okay to give up -Why a fuzzy pink cardigan and some Celine Dion is just as good as a Sanskrit mantra The Handbook for Bad Days is the ultimate guide for anyone who strives to be present, not perfect. Perfect for fans of Glennon Doyle, Elizabeth Lesser, and Krista Tippet, The Handbook for Bad Days is a call to face our worst days with courage and intentionality.
